

Directions to the CAL Plaza building and parking garage:

There are two entrances to our parking garage:

North California Parking Entrance:

The entrance will be on your right handside in front of the 2121 building (pictured).

There are 3 garages in close proximity of one another so make sure the garage says "2121" or "CAL Plaza". We cannot validate parking for the other garages.

Short Street Entrance:

Once on N. California turn right at Pringle Avenue. Turn right on Riviera. Turn right on Short Street. The garage entrance is the first one on your left handside (pictured).

There are 3 garages in close proximity of one another so make sure the garage says "2121" or "CAL Plaza". We cannot validate parking for the other garages.

Directions to Suite #290 from the parking garage:

Take the garage elevators to "PL" (Plaza Level). Exit the elevators and turn to your left and enter the West Lobby. Suite #290 is in the West Lobby just past the security desk.
